

Narcoossee Middle School

Electives Selection Worksheet – 7th Grade 2024-2025

CORE ACADEMIC COURSES: *Core academic courses are automatically assigned to students based on most recent test scores. Adjustments to course selections will be made based on teacher recommendation and 6th grade FAST test results. In addition to the core courses, students are required to take Physical Education.*

Elective Courses: **Select four (4) elective numbers in order of preference. All elective course offerings are tentative. Course availability is subject to change at administrative discretion. All 7th grade students will be automatically scheduled into one semester of PE and one semester of Health. Choose PE below if you would like a full year of PE.**

Elective	Priority (1-4)
Acting	
AVID	
Band 1 (Beginning)	
Band 2 (Must have had Band 1)	
Chorus 1	
Chorus 2	
Orchestra 1 (Beginning)	
Orchestra 2 (Must have had Orchestra 1)	
Physical Education (full-year)	
Spanish 1 (HS Credit)	
STEM Project Lead The Way	
STEM Paxton Patterson	
Understanding Music	

If Speech/Debate were an elective choice, would you be interested? Circle Yes or No.

Although every effort will be made to accommodate students' requests, selecting a course does not guarantee placement. I am aware of the programs offered at Narcoossee Middle School, and I agree with the choices indicated above.

Narcoossee Middle School

Electives Selection Worksheet – 7th Grade 2024-2025

NCMS Elective Descriptions

Acting

- Students explore theater and acting through improvisation, simple scripted scenes, performance projects, and/or monologues. Students learn to identify what makes performances believable.

AVID (Advancement Via Individual Determination)

- By application only. AVID is a career and college readiness class that prepares you for high school and beyond. AVID helps you identify your interests, navigate your academics, and make a plan for a career that is best fit for you!

Band 1 (Beginning Band)

- The purpose of this course is to learn to play a musical instrument. No previous music knowledge is necessary, but practice is required. Students will perform in Winter and Spring Concerns.

Band 2

- Full year course for intermediate or advanced bands with prior experience. Students will perform multiple concerts as part of the required course curriculum and practice time is an expectation. The course will cover music theory and various music styles.

Chorus 1

- Join a group of singers collaborating with melody and harmony as you sing together. Explore different types of music such as classical, pop, rock, jazz, and folk through song.

Chorus 2

- Advanced choir based upon teacher recommendation.

Orchestra 1

- Beginning musical class centered around string instruments.

Orchestra 2

- Advanced stringed instruments. Previous experience required.

Physical Education (PE)

- This course provides students with the opportunity to learn a variety of sports and sport related movements as well as health and fitness concepts.

Spanish 1

- High-school credit course which counts for one foreign language credit on high school transcript. This course does affect HS GPA.

STEM – Automation and Robotics

- Students explore robotics and automation and work in teams to create prototypes. Build and analyze mechanical systems and automate them with programmed input and output devices.

STEM – Paxton Patterson Lab 1 College and Career Readiness

- Students will utilize the Paxton Patterson Labs to explore hands on different career paths including Flight and Drone Technology, Health Science, Hospitality and Tourism, Culinary Science, Computer Science, Robotics, and Design and Marketing modules.
