B.E.S.T.

Be at school

Absences can add up quickly. Several missed school days can have a big impact on a student's learning.

Effort towards learning

The more effort you put into school now, the more your future self will thank you later.

Show respect to all

Nobody should be mean to others. Stop and think before you say or do something that could hurt someone.

Take time to do the right thing

If you see or hear something that is a threat to student safety, say something to a trusted adult.
