Present, Past, Future and Present Continuous

by Timothy W. Hefner M.Ed. Leadership

Verb Book

By Timothy W. Hefner

This book is designed for the ESL learner. It is used as a reference for those at the beginning stages of learning the English language. In addition, there are various examples demonstrated which came directly from my students. It is translated into 13 other languages which represent the various languages of my students.

The key to this book, along with my lessons is the color coordination. **Green = present, Purple = Past, Orange = Future and Blue = Present Continuous.** Each language is represented by a different color as shown on the next page, and continues in like manner throughout the twelve chapters of lessons that I have created.

For Translation colors:

Español - rojo

Kreyòl ayisyen - ble

中国 - 紫色

Tiếng Việt - đen

Português - Castanho avermelhado

Русский - зеленый

العربية - البني

ไทย - ส้ม

فارسی - صورتی

اردو - خاکستری

Français - kaki

বাংলা - বোলডুলক্ষ
