Schedule Change Policy

- Valid reasons** for a schedule change may include computer error, failing a required course, passing a course in summer school, lacking a graduation requirement and/or lacking the proper prerequisite.
- Schedule change requests will **NOT** be considered for the purpose of teacher preference or period.
- A change request may require the entire schedule to be altered to meet the request you have made, including different teachers and different class periods.
- Choosing an AP course, I understand it is taught at a college level and once chosen will not be able to receive a schedule change without proof of content struggle and success meeting with teacher and administration.
- All schedule change requests must be approved by the Principal, Assistant Principal, and Counselor.**

I have read and understand the schedule change policy and am aware that I have until May 17, 2024 to change my requests.
