

Greetings Dolphin Family,

We are off to a great start. We are in the process of distributing our students' individual digital devices. What a fantastic benefit our District has offered us! Each child will have their own device for home and school use. Our Technology Specialist, Instructional Coaches, and teachers are working diligently to complete this process and to plan for increased use of technology in their daily lessons.

We received our FSA scores from the State. These scores include English Language Arts (ELA) and Math for grades 3-5 and Science for grade 5. Statewide decreases were expected considering the number of students who could not attend school face to face during the 2020-21 school year. However, Lakeview defied the odds and produced some remarkable outcomes! Third Grade Reading lead the charge! Below is the summary of that data. It is extraordinary!

- Only 8 non-charter, District, elementary schools experienced an increase in the percentage of 3rd grade students scoring at a Level 3 or higher.
- Lakeview had the 3rd largest increase of 9% moving from 50% to 59% proficient.
- After applying the "school grade rules" to the data, Lakeview tied for the highest increase of 10% moving from 53% to 63% proficient.

In other State assessed grades and subjects, our students did much better than expected for a pandemic year, and when compared to other Osceola County K-5 schools, Lakeview consistently performs at the top.

#1 Using State FSA data, percentage of LVES students scoring at Levels 3-5

Grade	ELA	Math	Science
3	59	58	
4	45	44	
5	51	59	54

#2 Using State FSA data, LVES compared to 25 District K-5 schools:

Grade	ELA Ranking	Math Ranking	Science Ranking
3	8th	5th	
4	9th	9th	
5	6th	3rd	4th

I would like to thank our teachers, staff, parents, and students for remaining calm and carrying on during the surge in COVID 19 cases in our community. To date our numbers are as follows:

	Exposed and Quarantined	Tested Positive
Students	149	21
Staff	20	11

Fortunately, all have recovered or are recovering well and returning to school after their quarantine time. We will continue to follow the strictest guidelines put forth by our Federal and State governments and our District School Board. We encourage mask wearing with parental approval, as well as healthy habits and spacing during the school day.

I am looking forward to another great year with our Lakeview Dolphins leading the way to success!

In your service,

*Dr. Cleveland*

The following teachers are continuing to work toward completion of required certifications and at this time are considered Out of Field:

Mr. Carlos Baez – Elementary K-6, ESE K-12, ESOL-Elementary  
Ms. Niurka Delgado – PreK/Primary

The following teachers are currently Out of Field and working towards their certification in ESOL Elementary:

Mr. Carlos Baez  
Ms. Robbin Baldwin  
Mrs. Abigail Cavina  
Ms. Angelin Gonzalez  
Mrs. Jenna Lawrence  
Ms. Riley Molnar  
Ms. Lindsey Oxenrider  
Mr. Reggie Perez Molina
