1:1 STUDENT TECH INITIATIVE ROLL OUT PLAN

The goal of Kissimmee Middle School's One to One initiative is to provide all students with the digital resources and skills needed to allow for creative digital collaborations between all teachers and students while engaged in academic work. This year all 6th grade students will be provided with a laptop. At this time, we will only be providing face to face students with a device. Students in 7th and 8th grade will receive devices next school year. Please take note of the dates posted below:

- ✓ **Wednesday February 24 5:00 pm:** In lieu of a face to face parent meeting, an informative video will be posted on Facebook, YouTube, and our website. We will also host a Facebook Live event to answer questions that parents may have about this initiative at 5:00 pm on our school Facebook page.
- ✓ **Laptop distribution date TBD:** We are currently waiting on the laptop cases to arrive. As soon as they arrive, we will share a date/time for laptop distribution. Laptop distribution will take place after school in the bus loop. More information/directions will be forthcoming. Students will receive an 11 in lightweight Dell laptop, a charger for the laptop, and a laptop case. **(hotspots are limited. Submit your request by returning this letter ASAP).**

Student will need to bring their provided laptop back to school every day, **fully charged** ready for class. The laptops will be filtered and monitored during school and home use. The students will receive a laptop case as soon as they arrive. Students are expected to ensure that all devices checked out to them are stored securely in their bag to prevent devices from being damaged.

Students will bring two forms home. The first form is this letter. It must be filled out with the student's name and ID#. Please check all appropriate options. Students must return this letter to their science teacher. The second form is the KMS 1:1 Info. Handout/End of Year Check-in form with the care tips, responsibilities, and service fees for repairs on the back. Please keep this form till the end of year. You will return this form with your child's laptop at the end of the year.

(Please print)

Student Name: _____

ID# _____

PLEASE CHECK ALL THAT APPLY

<input type="checkbox"/>	I will need a hotspot. Please provide one if available.
<input type="checkbox"/>	I would like my child to leave his laptop at school for safe keeping. He can retrieve it every morning.
<input type="checkbox"/>	I would like my child to bring his laptop home at the end of the school so that he can continue his schoolwork online if needed.

If you have any questions, please contact Frankie Franceschi at frankie.franceschi@osceolaschools.net. Please provide the student ID number and indicate your specific concern.

Best Regards,

Frankie Franceschi
