

Big Brothers Big Sisters of Central Florida (BBBSCFL) is providing mentoring in OSCEOLA COUNTY and we NEED volunteers like you!

BBBSCFL has been providing mentorships to youth ages 6-18 since 1975 in the Central Florida area. During the time spent with the youth, mentors are able to work toward goals, expose them to new and fun activities and most of all be another caring adult who is committed to helping them have a better future.

There are two ways you can mentor:

- **Site Based Mentoring Program**

The meetings between the mentor and youth occur at the child's school. You would be meeting during school hours for one hour each week, on the same day and same time. The school would help to determine when the best time is for you to meet with them.

- **Community Based Mentoring Program**

The meetings between the mentor and youth occur throughout the community; you would be able to drive the child to different enriching activities. You would be meeting at least twice a month for about 2 hours each meeting.

Both programs are closely monitored by our staff to help ensure a safe environment for you and the child.
