

Procedure for Requesting Student Records

You may request records by contacting the Records Management Department via phone, fax, mail, or e-mail.

To receive records you must provide your full name, including any other last names used, date of birth, social security number, last school attended, year of graduation or withdrawal, photo ID (such as driver's license), and a daytime phone number. Your request must be signed and dated.

Indicate whether you need an *official copy*, stamped with the seal of the School District of Osceola County and enclosed in a sealed envelope; or whether you want a *student copy* for yourself; or both.

If the records are to be mailed, include the address to which they are to be sent. You may also pick up records in person by coming to the Records Department office address listed below.

You may have a family member pick up the records if your schedule does not allow you to come to our office between 8:00AM and 4:30PM. To do this, you must provide all information listed above *plus* include the following signed statement with your request: I give permission for (name of individual and relationship) to pick up my records. The person must show photo ID before the records will be released.
