

Tiny Tot Tennis is used to introduce children to a sport of a lifetime. The aim of our program is to introduce children to the fundamentals of tennis. We then look to progress the children to achieve their potential whether it be social or competitive play or just for the enjoyment of playing tennis.

Join our exciting new play format the is designed to bring kids into the game by utilizing specialized equipment, shorter court dimensions and modified scoring. All of these modifications are tailored to the age of the participant. It enables kids to have a more enjoyable experience early on in the learning process

This program is for students that have learned the basic techniques and are beginning to judge the ball and sustain a rally. The program emphasizes on technical skills and introduces players to singles as well as doubles play.
