Extended Day Program Supervisor

Purpose

The Extended Day Program is a before and after school enrichment program designed to enhance children's lives educationally, socially, culturally, emotionally, and physically in a safe and familiar environment. The program is open on regular school days; early-release Wednesdays; teacher work days; some holiday breaks and summer breaks.

Who May Attend

All children enrolled in Osceola County Schools in grades PreK-5th grade may attend with no discrimination to sex, race, or handicap. Each child must be able to function in a group setting without additional individual supervision.

Activities

Program hours are 6:30 a.m. until school starts, and after school until 6:00 p.m. A wide variety of interactive enrichment activities including arts and crafts, music, games, field trips, homework assistance, tutoring (available at some sites) sports, and story telling is available. A low staff/child ratio and nutritious snacks are also features of the program.

COST

Weekly Fees.

Before School:

\$18.00 each child
\$16.00 each additional child

After School:

\$35.00 each child
\$32.00 each additional child

Before & After School:

\$45.00 each child
\$42.00 each additional child

Camps:

\$65.00 1st child
\$60.00 2nd child

Late Payments:

Any child attending two [2] weeks without payment of fees may not be admitted into the program until fees are paid in full. All delinquent accounts will be turned over for collection.

- ❖ No daily rates
- ❖ No refunds or credit for absences

All fees are School Board Approved.

Children having excessive (two or more) late pickups will be subject to removal from the program. Because all programs close promptly, overtime charges will be assessed:

- ❖ 1-15 minutes \$12.00 per child
- ❖ \$15.00 per child for each additional 15min.
- ❖ Unpaid late fees could result in a child being removed from the program.

PROCEDURES

Registration: Registration forms must be completed and a **\$20 registration non-refundable fee** must be paid per child, for each fiscal school year. Parents must also pay a deposit fee and the weekly fee for the 1st week of service. All fees **must be paid** in advance before a child can participate in the Extended Day Enrichment Program. The deposit fee is to continue to secure a space for the child/children during an unexpected absence or the one week vacation period permitted per child. The deposit can be refunded if the child is withdrawn from the program. All registration forms can be downloaded from the school district web site.

Medical information, the Emergency Contact Form and special needs information are required. Upon written notification to the center, a child is permitted to be absent for a one week period for vacation. Any child absent from the program more than one week will be dropped from the program. If the parent desires to place the child/children back into the program, if space is available, the parent will have to go through the registration process. If space is not available the child/children will be placed on a wait list for the school site desired.

Payment of Fees: Weekly fees must be paid on Monday or the first school day of the week. Payments may be by money order or check unless a check has been returned for insufficient funds. In such cases, all future payments must be by money order at the side. Weekly receipts are issued and should be retained for income tax reporting services. The School District of Osceola County Florida taxpayer identification number for such purposes is **59-6000-779**.

Late Payment Fee: If weekly payment fee is not paid on Monday at the sites or received in the Extended Day Program main office every Tuesday, no later than 4:00 p.m. your account will be charged a \$12.00 late fee.

Sign In/Sign Out: In the interest of safety, the parent or guardian is expected to sign in and sign out the child daily to and from the Extended Day Program. ***NO child*** will be released to an adult not authorized by the legal parent/ guardian in writing and placed on file. Adults not recognized by the staff will be asked to show identification. Only authorized adults may pick up a child.

Discipline: Positive reinforcement is used in effectively working with children. Input from parents concerning transitions at home, which may affect the child's behavior is welcomed. If problems persist and affect the safety and educational enrichment of the other children in the program, the Administrative Office of the Extended Day Program reserves the right to suspend and or expel a child/ren from the program. Appropriate intervention actions include verbal warning, a safe place (removal from group or activity), note to parents, parent conference, suspension, and/or termination from the program. Fighting will result in a two-day suspension.
